The bottles will be refilled at school if needed. Water bottles must be spill proof and actual water bottles. They must only contain water please.

Purple Learners

Purple Learning

As always, Purple Learning will be at the heart of all learning – helping children to develop resilience, perseverance and effort whilst understanding what strategies to use when they get stuck and the feelings associated with challenging themselves in all that they do. This year, we will be holding parent sessions all about the research that underpins Purple Learning and why the focus on it at John Rankin as well as other curriculum based sessions, so please do keep your eyes out.

JRS Curriculum

- * Our curriculum is being developed this year to ensure the children across the school receive exciting and engaging learning. National curriculum requirements will be fully covered but we working on a JRS curriculum which does what our vision says: Ignite passion, empower learners and transform futures.
- * You will find details of what your children are learning each half term via medium term plans on the school website.

READING

Please can we request that all children are encouraged to read at home for at least 10 minutes daily.

Please can we ask that when reading at home with your child you:

- * talk to your child about reading, their preferences and interests;
- * discuss ideas and opinions about books they are reading, ask them to summarise stories, predict, explain characters, etc;
- * record what they have read in their Reading Record on a daily basis.
- * Please ensure your child has their reading diary at school every day. Books are changed at class teachers' discretion.

Our focus on reading...

- * Research shows the effects of reading on later literacy skills, facilitating social interaction between adults and children, and encouraging children to engage with the world around them. It also states how reading can be a **'stable source of information'** throughout a child's life. This stability allows them to access text in a constant fashion and can be especially beneficial for children growing up in challenging circumstances.

Homework

Homework will be set on Google Classroom on a Friday.

Homework will be focused only on reading this year. There will be other optional learning available for all pupils, but the key focus will be on specific texts that are sent home weekly – for some pupils, this will only be to explore the vocabulary, with specific teaching in school that will be related to the learning in class. We want our children to experience a broad range of rich and diverse texts and this will be one way to encourage this love of words and reading.

Behaviour

- * Last year, we spent time considering our values, rules and expectations.
- * Following input from staff and children, we now have three new rules for the whole school:

Be considerate

- thinking, reflecting and evaluating
- empathy
- respectful (manners)
- people, places, equipment
- impact upon other people

Be composed

- ready for learning
- prepared
- calm (mindfulness)
- reflective
- sensible
- visible consistencies-

Be compassionate

- kindness
- respectful
- empathy
- service to others
- forgiving

PTFA

- * *We have a wonderful, active PTFA who have raised a considerable amount of money for our school- most notably funding our Make it Bake it room, FS1 outdoor learning area and our amazing KS2 adventure climbing area.
- * *They are always looking for willing volunteers to support them or run events.
- * *On 21st September at 8:00pm there is the AGM – This will be in Beech class at the Juniors.
- * This meeting roles will be agreed – please do get involved.
