General Organisation

We ask that children wear their PE kit to school on two days each week:

- ▶ Tuesday and Thursday are Year 3 PE kit days
- ▶ Wednesday and Friday are Year 4 PE kit days

- ▶ If children are doing a Precision club after school they should come to school in school uniform and bring their kit to change into at the end of the school day.

General Organisation

- ▶ Water bottles – Water bottles should be named and in school daily (not inside their book bag). The bottles can be refilled at school if needed. Water bottles must be spill proof and actual reusable water bottles. They must only contain water please.
- ▶ Lunches – please order these in advance electronically.
- ▶ Concentration aids – If your child requires a concentration aid, please communicate this with the inclusion and pastoral team. Please don't supply these from home.

Purple Learners

Purple Learning

As always, Purple Learning will be at the heart of all learning – helping children to develop resilience, perseverance and effort whilst understanding what strategies to use when they get stuck and the feelings associated with challenging themselves in all that they do. This year, we will be holding parent sessions all about the research that underpins Purple Learning and why the focus on it at John Rankin as well as other curriculum based sessions, so please do keep your eyes out.

READING

We request that all children are encouraged to read at home for at least 10 minutes daily.

Please can we ask that when reading at home with your child you:

- * talk to your child about reading, their preferences and interests;
- * discuss ideas and opinions about books they are reading, ask them to summarise stories, predict, explain characters, etc;
- * record what they have read in their Reading Record on a daily basis.
- * Please ensure your child has their reading diary at school every day. Books are changed at class teachers' discretion.

Homework

Homework will be set on Google Classroom on a Friday.

Homework will be focused only on reading this year. There will be other optional learning available for all pupils, but the key focus will be on specific texts that are sent home weekly – for some pupils, this will only be to explore the vocabulary, with specific teaching in school that will be related to the learning in class. We want our children to experience a broad range of rich and diverse texts and this will be one way to encourage this love of words and reading.

PTFA

- * *We have a wonderful, active PTFA who have raised a considerable amount of money for our school- most notably funding our Make it Bake it room, FS1 outdoor learning area and soon to come, an amazing KS2 adventure climbing area.
- * *They are always looking for willing volunteers to support them or run events.
- * *On 3rd October at 8:00pm there is the AGM- at this meeting roles will be agreed – please do get involved.
- * johnrankinptfa@gmail.com

Thank you for attending this evening.

You will now have the chance to visit your child's classroom for a general look and chat with the teacher. Parents evenings will be coming up later this term for more specific conversations about your child's learning.

In the meantime, if you have any questions please don't hesitate to contact the school office and these will be forwarded to us. We look forward to working in partnership with you and your children this year.
