

Key Knowledge:

Human characteristics:

All people are humans, men, women and children. We are animals that walk on two legs and speak using words.

Senses

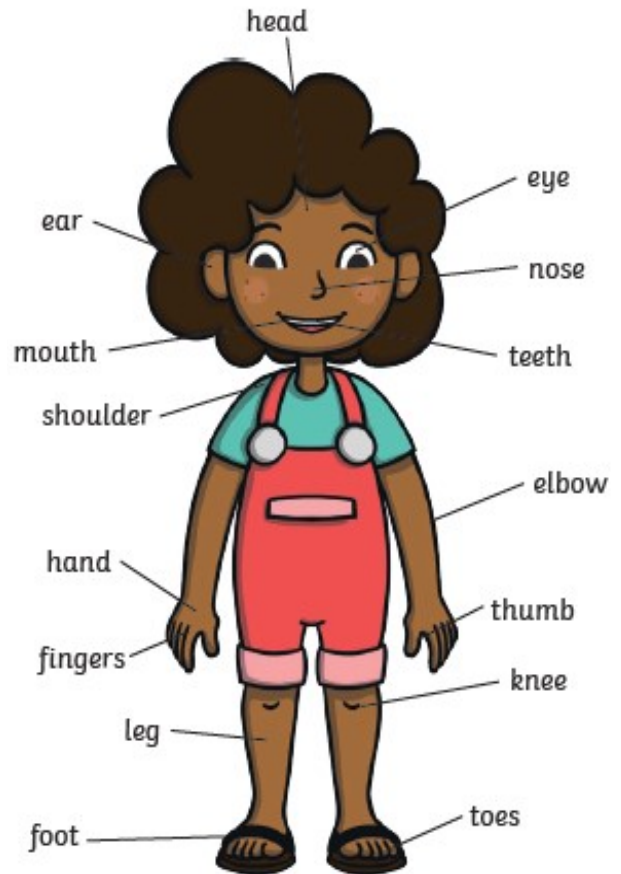

We have 5 senses

- 1) We smell using our nose.
- 2) We taste using our tongue.
- 3) We touch using parts of our body, like our hands.
- 4) We see using our eyes.
- 5) We hear using our ears.

We use different parts of our body for different activities.

We can use the same body part for different activities

Parts of the Body

Learning Questions

Can you identify, name, draw and label the basic parts of the human body?

Can you identify which body parts are involved in different actions?

Can you say which part of the body is associated with each sense?

Can you explain what our senses do?

Vocabulary

 sight	 hearing
 taste	 smell
 touch	 human
 movement	 body part
