

Y6 Thinking like an artist
Art as activism

Art can be used to express the opinions of artists, who in turn speak for sectors of society. Artists can be activists as a way to address social injustices or communicate personal narratives. **Posters and zines** are often used to convey the important messages of these artists.

New York-based **Luba Lukova** is regarded as one of the most original art activists working today. In Lukova's art, less is more. More effect, more message, more expression; all while doing it with less. **Kate DeCiccio** uses posters can be used to communicate important messages within different communities.

Activism	Activism is when people take action to bring about change in society or to support a cause
Voice	Voice refers to the way we express our thoughts, opinions, or feelings, either spoken, written or created through art.
Message	A message is a piece of information or communication that is displayed or sent and received.
Community	A community is a group of people who live in the same area or share similar interests, values or cultures.
Poster	A poster is a large printed sheet that conveys information or spreads a message, usually displayed on walls.
Zine	A zine is a small magazine or booklet, usually created by individuals or small groups, covering specific topics or interests.
Collaging	Collaging is the art of creating a picture or design by sticking various materials, like paper or fabric, onto a surface.

Learning Questions

What is the relationship between art and activism?

What do I care about and how did I communicate this visually?

My reflections on my artwork are...
