

Spring 1

Year 2 Newsletter

For our Unit of Art this term, the children have been exploring and collecting. In our second lesson, the children worked in small groups to create pictures out of natural materials they could collect in the playground or on the field. They enjoyed working creatively in small groups, and were really impressed with their compositions.

Year 2 News...

Music

The children have really enjoyed learning in our Music lessons this term. We have enjoyed learning to play the glockenspiel to the beat, and to compose their own music.

Computing

The children have learned many valuable skills this term. They are now all competent at logging on to a computer with their partner, and can access a given website. The children have been learning about algorithms using Beebots both online and in the classroom.

Year 2 News...

African Drumming

The children had a fantastic time in their African Drumming session with Ray. They each had a drum and learnt several new rhythms and chants, and really enjoyed following it together. Everyone was able to take part in the session, and all of the children left the hall afterwards with big smiles!

Year 2 News...

Year 2 were able to show their Purple Learning value of curiosity in **Forest School** this term. We wrapped up warm and learnt about why it is so important to dress appropriately for the weather. They were able to go out into the snowy weather, and explore the grounds, thinking about why some areas remained snow free while others were snowy, which creatures had made animal tracks in the playgrounds and fields, and even saw some frozen raindrops! As we were so chilly, we had a hot chocolate to warm us up at the end!
