

Spring 1

Year 6 Newsletter

Year Six have had a fantastic term showing infinite amounts of curiosity towards their learning across the curriculum! The children have been enthused about their learning in relation to World War Two and the impact on life during this time. This week, the children have loved being able to show all of their learning about World War Two through a creative responses detailing their knowledge.

Year 6 News...

Art Activism

The children have been exploring activism through art and how to create their own pieces of art activism through collage and mixed media. We have studied the work of artists Luba Lukova and Kate DeCicco and how they communicate important message creatively and effectively. Thank you to the families who were able to assist in providing materials for our art learning this term.

Year 6 News...

Computer Science—Coding

Year Six have developed their coding skills this term and thoroughly enjoyed designing, creating and debugging their own games using the program Scratch. We were proud of how the children collaborated together when problem-solving and showed incredible resilience when finding this rather tricky!
