

Spring 2

Year 5 Newsletter

What an incredible term it has been for Year 5! The children have shown fantastic creativity across a range of subjects, making this a truly exciting and engaging few weeks of learning.

We started this term off with the stacking cups tournament in the hall. All houses competed against each other in a range of different activities. This included the tallest tower, relay races, speed stack and naughts and crosses. It was great fun and we enjoyed competing against each other.

Year 5 News...

We were fortunate to have a visit from the firefighters, where pupils learned about fire safety and the vital role of the emergency services.

Year 5 News...

In English, we have explored the dramatic world of Macbeth. Year 5 have particularly enjoyed stepping into the minds of the characters, creating their own diary entries filled with emotion and dialogue. They also showed their artistic talents by creating artwork for our new display.

In DT, we have been planning how to make delicious scones, learning about ingredients and methods in preparation for our next steps in baking. This hands-on approach has really sparked enthusiasm in the classroom.

We also had a visit from FINKFoods which gave the children the opportunity to make pizza in a fun and interactive way.

Computing lessons have been equally exciting, with pupils developing their skills in data handling by creating their own spreadsheets. It has been fantastic to see them apply their learning in such a practical and meaningful way.

Overall it has been a fun-filled term with lots of hands on learning. Well done to all Year 5 for their hard work and enthusiasm—we can't wait for another exciting term ahead!
