

## Y1 thinking like a Designer

### Make a puppet to match their design.

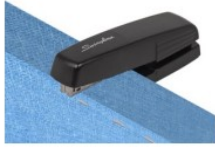

#### Key Knowledge:

#### Exploring and evaluating joining techniques

Joining fabric

Gluing

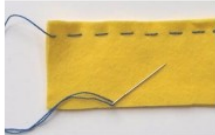

Stapling

Safety pin

Pinning

Sewing

#### Finishing techniques

Textile paints - glitter

Textile paints - raised

Adding sequins and shiny fabrics

Fabric crayons

To make a puppet safely:

- Make sure you are working with an adult when: using a stapler, pins, sharp scissors or a glue gun.
- Listen carefully to instructions, especially when using sharp tools.

### Learning Questions

What methods can we use to join fabric together?

How can I use a template to help create my design?

How can I join two pieces of fabric together accurately?

What worked well in your puppet, and what would you do differently next time?

#### Vocabulary

Decorate	To make something look pretty by adding colours, shapes, or other fun things.
Design	A plan or drawing that shows how something will look before it is made.
Fabric	A soft material, like cloth, that is used to make clothes, blankets, and more.
Glue	A sticky liquid that helps things stick together.
Model	A small copy of something big or an example of how something should look.
Hand Puppet	small toy that fits on your hand and moves when you wiggle your fingers.
Safety Pin	A small metal clip that helps hold fabric together without poking you.
Staple	A little metal piece used to hold papers together, put in place with a stapler.
Stencil	A shape cut out of paper or plastic that helps you trace or paint designs.
Template	A guide or outline that helps you make things the same way each time.
