

**Y1 Thinking like a scientist**

**Seasonal changes**

**Seasons of the year**

spring

summer

autumn

winter

**Key Knowledge:**

Each month of the year falls into a season.

We need to wear different

clothing during each season.

**Learning Questions**

1. Can I understand that there are four seasons?

2. Can I understand the changes that take place in autumn?

3. Can I understand the changes that take place in winter?

4. Can I understand the changes that take place in spring?

5. Can I understand the changes that take place in summer?

6. How do I plan an investigation to measure rainfall?

season	one of 4 parts of the year; spring, summer, autumn and winter
